

WHO ARE WE?

Cinemapolis is a not-for-profit, first-run movie theater located in the heart of Downtown Ithaca, specializing in independent, foreign, and locally-produced films. But more than that, Cinemapolis is a community cultural institution where the art of film is used to enrich people's lives, grapple with and illuminate contemporary issues, and, of course, to entertain.

OUR FUTURE MURAL'S THEME

"In Celebration of Film Bringing People Together"

The 10'x21' mural will be the centerpiece of our theater's lobby, welcoming patrons. We want our mural to depict the power of cinema to bring the community together.

~We encourage artists from diverse and underrepresented groups to apply for this opportunity.~
